06th April 2017

Dear Parents / Guardians,

Digitull Easter Competition

With the Easter holidays fast approaching we have an exciting competition for everyone to take part in. Alongside Digitull, we are **challenging you to get involved in an Easter competition you won't want to miss.**

What's the prize?

Apart from the joys of being creative geniuses, Digitull will award one pupil from every school by inviting them to become one of their 2017 Digitull ambassadors! The creator of their absolute favourite piece of content will also win a brand new digital camera.

As part of this amazing opportunity, the winner will learn and be involved in helping shape how Digitull works for every pupil in Hull. Not only that, they will also get the chance to help us create new challenges for everyone to be part of, and even get a personal tour of C4Di to see all the wonderful things that people are working on, from games development to 3D printing and even drone photography!

How the competition works

1. Ensure you have login access to your Digitull account so you can submit your work at school or home. If your school's Digitull is being used by teachers only, bring your work in when you get back to school after the holidays.
2. Choose from any of the challenges available in your Digitull account. There are no restrictions on how many pieces of work you create so go for it!

When the winners will be announced

Digitull will pick their favourite creations from each school at the end of the first week back of the new term and will begin announcing the winners straight away!

We hope you will get fully involved in this fantastic opportunity; we can't wait to see what you create!

Thank You!

From everyone at Digitull

Hull Collaborative Academy Trust is an exempt charity regulated by the Secretary of State for Education. It is a company limited by guarantee registered in England and Wales (company number 08542806), whose registered office is at C/O Eastfield Primary School, Anlaby Road, Hull, HU4 6DT.
